

Transferable Warranty Terms and Conditions

2025 and Newer Lightning Model Years

10-Year Limited Transferrable Hull Warranty

Marine Composite Innovations LLC is pleased to offer a limited transferrable hull warranty for their boats. This insures to our boat owners that each hull is free from defects in materials and workmanship, under normal care and use, for a period of **ten (10) years** from the original date of purchase. MCI agrees to repair or replace, to the purchaser, any boat that is found to be defective during the applied warranty period. This is at our discretion, based on a review by our representatives of the hull in question. Costs for approved repairs follow the warranty depreciation schedule:

One (1) year after purchase—100% covered

Three (3) years after purchase—75% covered

Five (5) years after purchase—50% covered

Seven (7) years after purchase—25% covered

Other Warranties

Except for components expressly mentioned herein, all other components from different manufacturers or vendors will follow the original manufacturers' warranties. Damaged or defective components must be reported immediately upon discovery to the original MCI dealer the boat was purchased from. The authorized dealer will notify MCI of repairs and replacement parts that may be needed. The original defective or damaged parts must be returned to MCI.

2 Year Protection from manufacturer defects:

Steering - Helm, hoses, cables, hydraulic cylinders and steering wheel.

Electrical - Switches, wiring harness, battery switches, horn, trim tabs, stereo, and factory installed windlass anchor systems.

Fuel Delivery - Fuel tank, fuel vent, fuel hoses, water separator (excluding filter), and fuel fills.

Controls - Shift and throttle cables.

Accessories - Ladder, windshield, rod holders, tackle boxes, gas shocks, anchor chute, cleats, T-top, hardtop, outriggers, thru-hulls, rub rail, bow/ stern eyes.

1 Year Protection manufacturer defects:

Electrical - Wiring and exhaust system, macerator, live well, freshwater, bilge and wash down pumps, and float switches, lighting, 12v usb receptacles.

Upholstery/ Canvas - Vinyl, stitching, workmanship

Obtaining Repairs Under Warranty

During the period of the warranty, MCI or its authorized representatives may repair or replace at its sole discretion any part adjudged defective by MCI due to faulty workmanship or material from the factory provided the original owner returns the boat, with transportation prepaid to authorized MCI dealer, or if necessary to the MCI factory or any other authorized place designated by MCI. Should MCI elect to replace the entire boat or any part thereof, i.e. deck or hull, the replacement boat shall be subject to the remaining duration and conditions of this warranty are not subject to an extended or new warranty unless otherwise provided for by both parties in writing. The liability of MCI shall in no event exceed the actual cash value of the covered item. The boat owner will be responsible for all transportation, loss of time, travel expense, loss of use, launch, towing, storage, and other expenses incurred in returning the boat for warranty service. All parts replaced under warranty shall become the property of MCI.

MCI reserves the right to improve its product through changes in design or material without obligation to incorporate such changes on boats built prior to the implementation of the respected changes.

Exclusions from Warranty

- Any boat which has been powered or loaded in excess of the manufacturer's maximum horsepower or capacity recommendations. The maximum horsepower and capacity recommendation are shown on the certification plate affixed to every boat.
- Any boat used in or for racing (of any type, organized or not), commercial fishing, chartering or other commercial use.

_____ Purchaser Initial here

- Any boat which has been subject to misuse, neglect, or structural alterations.
- Gelcoat cracking, crazing, bubbling, or blistering.
- Excessive wear due to unprotected and/or overexposure to the sun and elements.
- Any fuses, bulbs, switches or the failure of any electrical component due to corrosion or failure to use correct wattage.
- Any boat that has been deemed to have been misused, neglected or re-powered by anyone other than the original purchaser.
- Any boat that has been used on a trailer that does not adequately support the hull or any trailer that may be considered undersized, including any and all roller type trailers.
- Any boat with a jack plate installed by anyone other than MCI, or an authorized dealer.
- Powder coated parts must be maintained by the owner. If powder coated parts chip or flake then owner must repair to prevent oxidation; MCI can give guidance on repair.
- Any part or component not manufactured directly by MCI after the first three years of this warranty policy, (three years from the date of purchase), will only have that particular manufacturer's warranty available.

Warranty Services / Customer Responsibilities

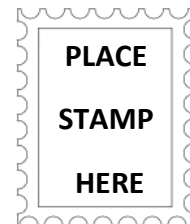

In order to receive warranty service, the selling dealer must return the registration card at the bottom of this sheet within 30 days of sale, and the purchaser must take his/her boat to an authorized MCI dealer. Depending on the nature of the claim, MCI may require the boat be returned to the factory at 450 Brown Avenue., Columbus, Ga., 31906 in which case all transportation, haul-out, and/or loading charges shall be prepaid and the sole responsibility of the purchaser. MCI may choose to reimburse up to one half of such transportation charges to the original purchaser upon the discovery of a valid and applicable warranty claim that is a direct result of improper manufacturing processes on the part of MCI or one of our suppliers. The original purchaser must remove and reinstall at his/her expense, all outboard engines, (if directly related to damage in question), as well as any and all personal effects and electronic equipment. The decision to repair, replace or make reimbursement for a particular boat or part shall be at the discretion of MCI.

On-line registration, a bill of sale, or proof-of-purchase demonstrating individual in question as the purchaser, along with proof of the customer’s identity, is required before warranty service can be rendered. By signing this warranty card you are acknowledging and agreeing that any disputes arising shall be handled solely in Muscogee County Ga. Electronic arbitration (such as Zoom, Skype, or Google meet) shall be honored as an option prior to any legal actions.

Warranty Transferability

This warranty is in lieu of any other warranty, implied or expressed. MCI accepts no responsibility for any representations, acts, or omissions of its dealers relating to the preparation and/or sale of MCI products to original consumer. This warranty is transferable, and to do so the original owner must contact MCI to obtain an electronic copy of the warranty transfer form, fill it out and print it, and mail it to MCI within 10 days of the sale of his/her boat to the new owner along with a notarized bill of sale and a \$200 administration fee payable Marine Composite Innovations LLC must also be included.
